## Firemen and Rescue Squad to Open New Four Aces Pavilion

Dance Hall on Rte 173 to Be Dedicated May 16 In Benefit

The Four Aces, a newly constructed dance pavilion on Rte. 173 at Channel Lake, will be given formal opening Saturday evening through arrangements made by the Antioch Fire department and the Antioch Rescue squad which will receive the profits.

The new building recently completed and now being furnished by the owners, Ted and Bob Smith is a worthy successor to the old Channel Lake Pavilion, which burned down. It is 80 x 60 feet in dimension, made of brick, and is for year-round usage.

Near the 80-foot front is a 114-foot circular bar.

Around the sides are 30 tables. At the rear are the kitchen and rest rooms.

Dancing space amounts to 600 square feet.

The firemen and first aid men noting the completion of the new building seized upon the opportunity to obtain it for their annual money raising event. The Smiths were pleased to use this event to introduce the place to the public.

No admission fee will be charged and the sponsors will benefit only through sale of refreshments.

## Antioch High School Girls Attend Play Day At Libertyville High

"A Nutty Party" was the theme of the Libertyville High School G. A. A. Play Day which was held Saturday in the high school gym. The schools which were represented were Antioch, Grant, Libertyville, Richmond, Wauconda, Warren, Woodstock and Waukegan. Approximately one hundred fifty girls participated in the day's events.

The morning began with registration and general get-acquainted period; guests were introduced as were the G. A. advisors from each of the schools. The girls were divided into ten teams, hazelnuts, etc. Each of the teams rotated, playing the following games: basketball, alley soccer, softball, relays and volleyball. Pins, made of peanuts, served as a means of team identification.

After the team activities, each representative school gave a skit; informal entertainment was then presented by a group of the Libertyville G. A. A. The winners of the morning tournament were then announced and prizes were awarded. Lunch was served.

The purpose of the Play Day is to give the girls a chance to use their knowledge and skills in various sports as a means of having fun with one another. Schools do not compete against each other but instead each team has representatives from all schools and compete in a variety of sports by rotation.

Girls from the Antioch G. A. A. who attended were: Marilyn Furlan, Donna Martin, Phyllis Petersen, Joanne Quilty and Garnet Seyfarth.

## Mary Appleby Wins Grinnell Scholarship

Grinnell, Ia.—Mary Kay Appleby, daughter of Mr. and Mrs. Clarence Appleby of Allendale school, Lake Villa, has been awarded an Honor scholarship at Grinnell college for the 1953-54 academic year. Adeline Prun, director of admissions, announced today.

Miss Appleby, who attends Ferry Hall school at Lake Forest, Ill., achieved this honor in competition with students from all over the United States.

## Gov. Stratton Proclaims May 1-7 Posture Week

Governor William G. Stratton has designated the week of May 1 to 7 as correct posture week in Illinois.

Correct posture which is essential to good health is to be stressed in the schools, factories and homes. The week is a national program sponsored by the National Chiropractic association.

Senator Karl E. Mundt of South Dakota, recently had printed in the Congressional Record a lengthy article written by Dr. Emmet J. Murphy, Washington, D. C., director of public relations for the National Association of Chiropractors, emphasizing the importance of good posture and referring to the contribution of chiropractic healing.

## Antioch Enters Team In Softball League

Antioch softball players are planning to enter a team in the league which would comprise Antioch, McHenry, Wauconda, Spring Grove, and possibly Richmond and Fox Lake.

A meeting was held last Saturday at the Moose lodge and it is said a good many details were straightened out as to game time, players limits, and other arrangements.

Co-sponsors of the Antioch team that have already volunteered their support in the purchase of uniforms are Charles J. Cermak, Art's Paint Store, Antioch Builders, Women of the Moose, Antioch Recreation, Leo Fox Trucking, Fox Lasser's Beverages, Loon Lake Plumbing Co., and Sterbenz garage. Six more firms are yet to be contacted.

## Dance and Tag Day To Aid Cancer Fund Now 76 pct. of Goal

Dance May 13; Tag Day Postponed Because of Bad Weather

Collections on the Cancer Fund drive have reached \$460 which is approximately 76 per cent of the goal. Mrs. Louise Keulman, chairman, announced.

Because of bad weather last week the Tag Day for the drive was changed to Friday and Saturday, May 8 and 9.

Another event in which the public may be able to contribute will be a public dance at the Antioch Grade School at 8 p. m. Wednesday, May 13.

Music will be provided by an orchestra composed of Dr. James Kopriya, Dr. I. L. Breakstone, William Brook, Howard Gaston, Leonard Roblin, Xavier Schimel, William Lahli, and Joe Cosgrove. Refreshments will be served and prizes will be awarded.

## Antioch High to Enter Dekalb Relays Saturday

Antioch High School has been invited along with 28 other high schools in northeastern Illinois to enter the invitational relays at Dekalb Saturday. The meet will be held at the Northern Illinois State Teachers College field.

Several state winners have been entered from the schools. Several of Ottawa who lead the state in the field in the 100, 220, and the broad jump. Draper of Dixon and Shipman of Ottawa are two other leading dash men.

Among those from Antioch who will participate are Charles Bock, shot putter and discus hurler; Bill Galagher, 100-yard dash and relay; Chuck Davis, high jump and relay; Chuck Behrendt, dash and relay; John Arndt and David Petty, relay.

## Richard F. Kelly, 2/c Assigned to Buffalo As Personnel Recorder

Buffalo, N. Y.—Airman Second Class Richard F. Kelly, son of Mr. and Mrs. C. R. Kelly, Bluff Lake road, Antioch, has been serving with the 225th Air Force Reserve Combat Training Center, Buffalo, New York, as a personnel specialist since his assignment here in February of this year.

As a member of the 225th ARCTC, which has the mission of training the 445th Fighter-Bomber Wing (Reserve), Airman Kelly assists in keeping all the records of assigned personnel and instructs reserve personnel in the duties of the work.

Kelly enlisted in the U. S. air force in May 1951 and after completing his basic indoctrination at Sampson Air Force Base, New York, he remained there as training instructor. Prior to his assignment to this unit he performed the duties as a Personnel Specialist at First Air Force Headquarters, Mitchell AFB, New York.

A graduate of Antioch High School, Airman Kelly worked for the Par Tool and Die company as a maintenance man prior to his entering the Air Force.

He and his wife, the former Judith Anderson, of Grass Lake road, Antioch, now reside at 2771 Delaware avenue, Buffalo.

## New Station Proprietor

Ray Toft is getting off to a good start as lessee of Frank Kennedy's Shell station at Main and Lake sts. He took over the station a week ago from Al Sorensen. The business is known as Ray's Shell station.

## A & P Store Gets New Addition and More Parking Space

An addition to the rear of the Atlantic and Pacific Tea Co. store on Lake street now under construction is expected to increase by 66 per cent the space of the store which will be brought up to date in arrangement, although the store is modern.

Elmer Gunter, manager, said that the meat counter will be moved back to what is the present rear of the building and that the new building will be used for storage space.

"We won't know until about two weeks before the change is made just what the changes will be in our arrangement and stock," Gunter said.

Owner of the building is Dr. Stanley D. Anderson, and the Kleinfaste Rollene Construction Co. of Grayslake has the contract.

The Mrs. Rolla Shultis residence property adjacent to the store was purchased by Dr. Anderson and then sold to George Palaske who moved it to Hillside avenue. The space is being leveled and paved for a parking lot for the store.

The addition and improvement will make the A & P store one of the largest supermarkets of any village in Lake county.

Gunter, the manager, recently came from Libertyville to take charge of the store. It was like coming home for him as he was manager of the meat department when the store was opened at its present location and was sent from here to Libertyville to take charge of the store there.

## Antioch Retail Sales \$8 Million in 1953

Antioch's retail sales for the calendar year of 1952 amounted to \$8 million, according to figures revealed recently by the federal government.

The total for the entire county was \$357½ million or \$35 million more than the previous year.

Highest in the county was Burlington, home of the Jewel Tea Co., which rang up a total of \$133 million. Waukegan's total was \$79 million.

Other totals were Zion, \$10½ million; Libertyville \$11¼ million; North Chicago, \$10¼ million; Deerfield \$11¼ million; and Lake Forest, \$9½ million.

Libertyville increased over Antioch in comparison to the previous year when Antioch made the better showing.

## Contracts Granted to Antioch High School Teachers for 1953-54

Teacher contracts were issued recently by the Antioch Township High School Board of Education. Instructional costs will be increased approximately 8 per cent for the 1953-1954 term as a result of salary adjustments for the teaching personnel.

The following teachers were granted contracts: Carol Bean, Marian Brown, Donald Chiapetta, Narcissus Donovan, Charlene Druce, May Hartley, June Hooper, Paul Kessenich, Francis Perrigoue, Warren Polley, Eileen Schutte, Richard Scott, Melvin Stillson, Theresa Wehr and Robert Willrett.

Raymond Westerlund, speech correctionist and Edward Ruffolo, music director are accepting other positions. Mr. Westerlund and Mr. Ruffolo have been in the Antioch school system for the past two years.

E. W. Edwards was given a contract to serve again as assistant principal and teacher in science. Albert Dittman was rehired as principal.

## Lions Club Members Dine at Benet Lake

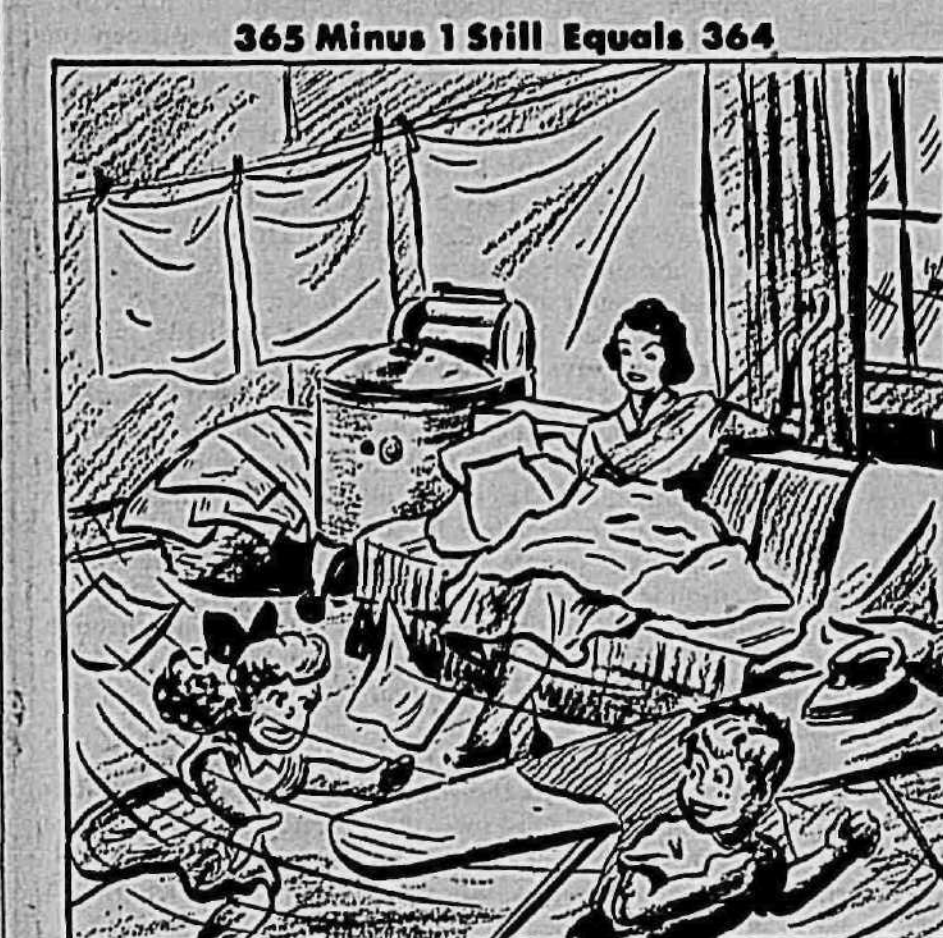

The Antioch Lions club met Monday evening at the Benedictine Abbey at Benet Lake.

The meal was served by the father and the abbess was a guest. Afterwards the 46 club members were taken on a tour of the farm and the printing shop.

The Lions Club will receive into membership several selectees at the next meeting May 11.

## Ackerman in Hospital

Charles Ackerman, well known real estate owner, was taken to St. Theresa hospital yesterday suffering from hemorrhage of the stomach. He was given two blood transfusions. The trip was made in the Rescue ambulance with Capt. Herman Holbek and Chief Walter Scott in charge.

## Woman's Club, School Arrange Purchase of Scholarship Trophy

Plans for the purchase of a trophy to be awarded to the outstanding senior boy and girl of Antioch Township High school were made at a meeting of representatives of the Antioch Woman's club with school authorities, Wednesday, Apr. 22.

The club committee comprised Mrs. Donald Stowe, Mrs. Louis A. Biel, and Mrs. A. H. Kauffman and the school representatives, Principal A. L. Dittman and Miss Carol Bean. The chairman of the educational committee will make the presentation at the Honors Day program on June 2.

Chosen to receive the honor will be the senior boy and girl selected by the high school faculty from seniors in the National Honor society whose members have been chosen by the faculty on the basis of their excellence in scholarship, character, leadership, and service.

## Firemen Select Simonsen

The Antioch Fire department voted Tuesday evening to recommend Edgar Simonsen for re-appointment as fire chief by the village board next Tuesday evening. There is no doubt that his appointment will be confirmed because most of the village trustees are on the fire department. Simonsen, himself, is a trustee.

## William McLaughlin Funeral on Saturday

William McLaughlin, 67, a resident of Chain O' Lakes subdivision, Antioch, died at his home at 4:11 p. m. Tuesday following a year's illness.

Mr. McLaughlin was born Nov. 9, 1885 in Butler, Pa., and lived in Chicago prior to coming to Antioch to live in July, 1952. He had retired as a switchman for the Santa Fe Railroad.

Surviving are the wife, Eva, and a brother, Charles of Elpasco, Tex. There are five step-children.

The funeral service will be held at 1:30 p. m. Saturday at the Strang Funeral home with the Rev. L. H. Messersmith in charge. Burial will be in Grass Lake cemetery. Friends may call after 7 p. m. today.

## Hope for Settlement Of Roadway Dispute In New Subdivision

Hope was expressed today that the complications preventing annexation of the Crown Realty Co. subdivision to the village of Antioch would be removed by the time of the next board meeting Tuesday evening.

Attorneys for the company and the objectors to the use of Zelinger lane as a highway connection for the new subdivision met Tuesday in Waukegan and discussed the situation.

Max Horwitz, owner of the subdivision says he is anxious to get started in the sale of lots and erection of houses.

The village board will meet a half hour later now that daylight saving time has begun and the roll will be called at 8 p. m. hereafter until October.

## New Telephone Book Enlarged Through List Of Many New Names

New Telephone directories delivered by the Illinois Bell Telephone Company in Antioch during the past week list between 800 and 900 new subscribers since the book was issued a year ago.

There are six additional pages of names and each page contains approximately 140 names.

The book contains nearly 9,500 names and covers the areas of Antioch, Fox Lake, Grayslake, Hainesville, Ingleside, Lake Villa, Millburn, Round Lake, Round Lake Beach, and Round Lake Park.

## Lake County Hogs Top Chicago Market

Chicago, April 23—Lake county hogs brought the extreme top at the Chicago Stock Yards on Thursday's market.

Phil Koppelt, of Mundelein, shipped 40 head of high quality Hampshire butcher hogs that averaged 240 pounds each and sold for \$24.60 per cwt.

A peak of \$24.60 per cwt. was paid freely on this market session. This was 80c higher than the day before and also was the highest price paid at the Chicago market since August 31, 1950. Except for 1947 the price was the highest on record for an April session.

The average for the day advanced \$1.00 per cwt. above the previous day to \$23.90 per cwt., which is the highest average since November 6, 1948.

## Gephart Mfg. Company Will Open New Branch Factory in Fields Bldg.

Will Employ Both Men and Women in Making Archery Arrows

The Gephart Manufacturing company of 1020 W. Adams st., Chicago, has leased the large second floor rear room in the Fields building, 908 Main st., and will start the manufacture of tubular glass archery arrows and tubular glass casting rods here as soon as possible.

The company is seeking both male and female help, and interviews are scheduled for tomorrow, Saturday and Sunday. The Chicago firm comprises two brothers who inherited a business started in 1904 by their father. The firm has been one of the leading fishing rod manufacturers for many years and was one of the first to produce tubular steel rods, a great improvement over the older-type solid steel rods.

With the advent of glass rod manufacture, the Gephart company was again one of the foremost in the development of this material for fishing rods. The use of glass fiber for archery arrows is a comparatively new idea, and one that seems destined to be a step forward since the glass fiber material is not subject to warping, and is light, strong and resilient.

The Gephart company advertises light work under pleasant, congenial conditions, and offers group hospital insurance, and other inducements.

## Sequoia Trackmen Take Third Twice

Antioch Sequoia track team trailed Warren and Zion-Benton in a triangular meet Wednesday at Zion. The locals garnered only 17½ points while Warren took 79½ to win. Zion scored 43 points in gaining second place.

Antioch's lone first place was taken by Charles Bock with a heave of 42 feet 11 inches in the shot put event. Bock accounted for a large percentage of the points, at Palatine Monday in a five-way meet with a heave of 47 feet 4½ inches to take first place there also. This pitch was very close to the conference record set some years ago at 47 feet 7¼ inches by Louis Nielsen, Jr. Bock also placed second in the discus event.

Antioch gained 25½ points in the meet to tie with Elmhurst for third place among the five schools represented. Palatine was a top-heavy winner with 88½ points, followed by Wauconda with 40½.

## Illinois Selective Service Ordered to Furnish 2000 in June

Colonel Paul G. Armstrong, State director of Selective Service, announced today that Illinois has been ordered to furnish 2009 men for induction into the army in June. This figure represents approximately 6.3 per cent of the national quota of 32,000 for the month of June. Colonel Armstrong estimated that about 24 per cent of inductees will come from Cook county.

Every man found acceptable for service must sooner or later discharge his obligation of serving in the military forces, despite deferments, Colonel Armstrong emphasized. In World War II the Selective Service local boards had to decide who would go to war and who should be left behind to perform vital defense and essential civilian jobs in the national interest. Today, however, the boards have to decide not so much "who" as "when." During World War II, men between 18 and 45 were liable for service, making a tremendous manpower pool available, while under the present law only the age groups from 19 to 26 can be inducted plus those whose liability is extended to age 35 because of deferment.

"With today's meager manpower resources we are obliged by world conditions to maintain a large and powerful military establishment," Colonel Armstrong said. "It is estimated that less than 2 per cent of the nation's manpower is presently available for induction. Large numbers of our registrants are classified as veterans or as physically unfit and cannot be inducted. In addition, fewer men are reaching the age of induction now than during World War II, due to the low (Continued on page 8)

### Good Citizens

In the highly competitive retail field it is a time-tried axiom that business goes where it is invited and stays where it is well treated.

As part of their constant program of giving better service to customers many retailers, both chain and independent, are working with towns and cities in which they are located to help iron out the traffic congestion problems that harass legions of communities today. Anybody who has ever tried to park a car on a busy downtown street can certainly appreciate the magnitude of the job to be done.

Many stores are providing parking lots for their customers. In an effort to move people rather than automobiles, a transit company in one city was encouraged to offer round-trip tickets at special prices during certain hours of the day so that shoppers could get to town without increasing the traffic jam.

This is just one more way in which the local retailer, serving his own best interest, is a good citizen of the community. By helping his home town he helps himself.

### Lost in the Shuffle

Writing in the Oregon Voter on that eternal problem, taxation, Ralph T. Moore said, "The idea of taking from each in accord with ability to pay . . . was irresistible in the days when we had the rich to tax. But it is losing its glamour in these days when the poor man finds that he is the fellow with the presumed ability to pay. Somehow the ability part has been lost in the shuffle. Only the pay part remains."

The lowest federal income tax rate is 22.2 per cent and it applies only to taxable incomes under \$2,000. In other words, those with extremely modest means must pay out almost a quarter of their taxable earnings to the U. S. treasury—and the rate rises very swiftly thereafter. All other taxes must be piled on top of this levy. The great masses of the people have the most to gain from economy in government.

### "Best Seller"

Not all of the best read books and booklets are historical romances or other works of the imagination. The other day, for instance, the 10th edition of a booklet called "Investment Facts" was published by

members and member firms of the New York Stock Exchange. Its distribution has passed the 3,000,000 mark—which makes it the most popular work about investments ever to see print.

It is obvious that a booklet with so huge a readership was not written for financial experts or other specialists. "Investment Facts" is designed for the public at large—for everyone who has or may have an interest in investing part of his savings in the shares of one or more of the corporations which provide us with goods and services of all kinds, employ tens of millions of our people, and keep the economy going. It discusses in clear, non-technical language, what stock is, how to go about choosing an investment, how to open an account with a broker, what sort of people own stocks, and why stock exchanges exist. It lists 323 common stocks traded on the New York Stock Exchange which have paid dividends annually for 20 to 105 years, and gives a brief factual account of how stocks fared last year.

In no other major nation could a booklet of this nature have even a small fraction of the readership reached by "Investment Facts." In much of the world no one owns or is allowed to own shares in enterprise; all the productive facilities belong to the government, and a small clique of political bosses give the orders. Here in the United States millions of average people now own stocks—and many thousands more become new stockholders each year. That's why "Investment Facts" has gone through 10 editions—and why the amazing total of 3,000,000 copies have been distributed.

### The Low Down from Hickory Grove

Today I go to the mat with the union man—the card carrier via his own choice and the card carrier who is forced to carry a card or not work or eat. Both types need a talking to—the closed shop is a curb on the freedom of each type.

As it is now you can join or not join the Moose, the Elks, the Liars club, the PTA, the GOP, the beekeepers or even the frayed Old Deal. This is America—it has been thus since the Fourth of July. The dyed-in-the-wool closed shop enthusiast would not want to be told whether he will sit in the back row in the grandstand and not amongst his cronies over on the third base side. I'll say he would snort and object if told to stay home or do as told. It could happen thusly just as easily as his union now lowers the boom on the persons who choose not to be a cog in his union machine.

Freedom is being undermined. Tell the Governor and your State House crew how you are being elbowed out of a job. They never hear from you—they think everybody is tickled pink and that the closed shop is exactly what you crave. Fill the old fountain pen—and full—tell 'em. They can all read pretty good, I think, and between the lines—if it is a voter writing.

Yours with the low down,

JO SERRA

**Kindergarten and First Grade Registration for Next Year to Begin at Lake Villa School**

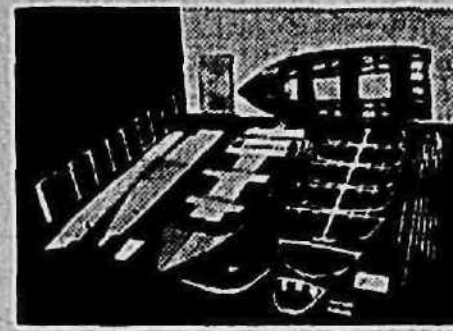

Parents living in the Lake Villa Community Consolidated School district are being asked to register their children for kindergarten and first grade for the school year beginning next September. Parents may register their children for these classes by calling at the school office.

All children entering first grade

must be six years of age on or before Dec. 1, 1953 and kindergartners must be five years of age on or before Dec. 1, 1953. Proof of age must be presented in the form of a birth certificate before attendance at these classes will be permitted.

School officials would like all kindergartners and first grade pupils registered before the close of school this year if possible. Registration may be done by phone and proof of age submitted at a later date if this will aid mothers who lack transportation.

## CHALLENGE TO THE INDUSTRY

-the new GMC 400-27 that  
outpowers and outclasses its field

-and sells for less! Here's GMC's new 18,000 GVW hauler that opens up great new possibilities to many fields of trucking.

In capabilities, it not only dwarfs trucks of 16,000 and 17,000 GVW, but overshadows—and underprices—those rated at 19,000.

In fact, the GMC 400-27 is designed to outhaul any truck up to 19,500 GVW.

Its new engine of progressive design is stripped of excess weight, yet built stronger to absorb the stress of really high compression. It gives you brisker response, more power and mileage from regular gas.

It includes, as standard equipment, many features that are optional at extra cost on other trucks.

As a tractor—or as a truck—it can increase your hauling ability, give you impressively better equipment—and save you both purchase and operating money to boot.

Come in and SEE the great new GMC 400-27. Learn all its superior features in addition to those shown here—find out its surprising price. You'll discover another reason why GMC is registering the greatest growth in the industry!

# SOCIETY EVENTS

## Moose Install Officers; Award Valor Citation To Charlene Cermak

Installation of officers took place at the Moose lodge Wednesday night, April 29. The program also included presentation of gifts to the officers who served during the past year, and also gifts to the officers of the Women of the Moose.

The "Citation of Valor" to Miss Charlene Cermak followed the gifts presentation, after which the program closed. Refreshments were served.

Officers installed were as follows: Les Nelson, governor; Ben Noble, Jr., governor; Ray Horton, prelate; Jack Stelber, treasurer; Leonard Roblin, trustee; and Bernie Puig, trustee.

Appointive officers are: J. J. Smith, secretary; Wally Good, sgt. at arms; Monte Miller, asst. sgt. at arms; Frank Kennedy, inner guard; and Charles Schroeder, outer guard.

## Woman's Club to Elect New Officers Monday At Trevor Luncheon

Members of the Antioch Woman's club will meet for luncheon and an afternoon of cards Monday.

The luncheon will be at 12:30 p. m. at the Colony House at Trevor. It will be the occasion for the annual election of officers and the meeting will be for members only.

The hostesses for the occasion are Mesdames Herman Rosing, William Rosing, Fred May, Eugene Sheehan, Donald Sargol, Irving Breakstone, and John Hanna.

This is the last meeting of the year.

## ATTEND PAST PRESIDENTS' DINNER

The past presidents of Antioch Unit, American Legion auxiliary, attended the Past Presidents' dinner held in Libertyville Monday evening. After the dinner and business meeting were concluded, Miss Cornelia Roberts gave a talk and showed pictures of her trip through Europe. She also had on display her collection of over 100 rings, many from far away places with very interesting stories connected with them.

Those from Antioch attending were Mesdames Zella Larson, Del Jahneke, Carolyn Horan, Helen Osmond, Agnes Hills, Deborah Van Patten, Mary Ellis, Alma Loubert, Clare Horton and Maude Johnson.

## CATHOLIC YOUTH PLAN TURNOBOUT DANCE

C. Y. O. members are busily planning the "Turnabout Round-up" to be held in St. Peter's church hall Saturday evening. The setting is going to be around a western scene. The big change is that the girls are to invite the boys. A square dance caller has been obtained, so about an hour of square dancing fun is promised. "We hope that square dancing won't discourage any young people in coming. A lot of students will be trying it for the first time and it is a lot of fun," said one of the committee members.

The dance will begin at 8 p. m. and continue until 11 p. m.

## IRVING BUCHTA TO BE SENT TO JAPAN SOON

Mrs. Irving Buchta returned to Antioch Tuesday and to the home of her parents, Mr. and Mrs. Leo Fox, from San Diego, Calif., where her husband is stationed with the Seabees. Irving will be shipped to Japan in March with the Pacific amphibian fleet. He has completed his course at the Construction Drivers school at Port Huenneme, Cal., and was one of the 10 top men in the class. He is the son of Mr. and Mrs. Leo Buchta of Lake Catherine.

## GIRL SCOUTS TO GIVE FASHION SHOW AT GAVIN

Girl Scouts of troops 9 and 27 are sponsoring and modeling in a style show to be given at 2:30 p. m. Sunday at the Gavin school. The youngsters will display lingerie, sports togs, dresses, coats and hats from MariAnne's of Antioch. Receipts will be used for the benefit of their summer camps.

Mrs. A. H. Nordling and Mrs. James Ross are their leaders.

## M. Y. F. SWIMMING PARTY AT EVANSTON SUNDAY

The Methodist Youth Fellowship will go to Evanston Sunday for an indoor swimming party at the Y. M. C. A. The members will leave the Methodist church at 3:30 p. m. and after the party they will leave the Y. M. C. A. at 8 p. m. Those who attend are to bring a sack lunch, 50 cents, and a bathing suit, and if available, a car.

The Ladies' Auxiliary of St. Ignace church met at the home of Mrs. J. B. Fields Monday evening. It was decided to change the meeting night to the second and fourth Wednesday of each month. Plans were made to hold a home bakery sale May 16.

Antioch Chapter O. E. S. observes Past Officers night. Left to right: Julia Rosenfeldt, P. M.; Arthur Rosenfeldt, P. F.; Ida Osmond, guest of honor; Rosalind Keating, W. M.; Henry Stott, W. F.

## Lakeland Baptist Church Elects New Officers and Plans Fellowship Meal

The Lakeland Baptist church of Lake Villa ratified its constitution and elected new officers at a business meeting held Saturday night.

Lt.-Com. Lester Harlow of the Great Lakes Naval Base presided at the meeting as church moderator. The new officers are D. E. Neumann, moderator; Robert Long, vice moderator; Carl Flattum, financial secretary; Mrs. Robert Blair, treasurer; Robert Richey, Sunday School superintendent; Mrs. George Heuer, church clerk. The trustees are J. R. Ross, George Owen, E. E. Drake.

A Spring fellowship supper will be held at the church Wednesday night, May 6.

The Rev. John Barbee, the minister, announces that his subject for Sunday morning, May 3, will be "From Boom Town to Ghost Town." The minister has expressed gratitude for the increasing size of the congregations.

The Sunday worship service is in the Central Baptist Children's Home at 11 a. m. Those interested in a Baptist church home are urged to attend.

## High School Concert Friday Night Includes Band, Vocal Numbers

At 8 p. m. Friday evening, the curtains will part for the first time for a Spring Concert in the new and sumptuous Antioch High School auditorium.

The school band will open the concert with the Fete Triumphant March, a suitable number for this festive occasion. The other numbers by the same composer, Olivadoti, will be played, the "Beau Sabreur" and "Homage to Youth," which closes that portion of the program played by the band.

Also presented by the band will be two well known arrangements by Walters, "Deep River Phantasy" and "Gypsy Baron." The last named composition is a march paraphrase on a waltz theme by the waltz king, Johann Strauss. Also included is the Adagio Cantabile based on the slow movement of the beautiful Beethoven Piano Sonata.

The most ambitious music of the program will be the last movement of the "New World Symphony" by Dvorak. Dvorak wrote this symphony after visiting the United States, hence the name, from the New World. The modern work, "Phantom Regiment," by Leroy Anderson will be played. Mr. Anderson has written such popular music as Blue Tango, Sleigh Ride, Syncopated Clock, etc.

Following a short intermission there will be a girls' quartet and five instrumental solos. Carol Loftus, Jeanne Hughes, Dorraine Steinel, Karen Martin will sing "With a Song in My Heart" and "Ramona," accompanied by Mary Ann Nielsen. Bill Deering will play the ever lovely piano solo, "Claire De Lune," "Moonlight," by Debussy, the great French impressionist. Mary Ann Nielsen will play the sophisticated saxophone solo "Manhattan Serenade," by the American composer, Louis Alter. Two trumpet solos played by Eugene Baethke follow: "Dio Possente," a baritone air arranged from the opera Faust, and "Above the Clouds," a showy piece written expressly for the trumpet.

The last solo number will be the fiery "Revolutionary Etude" by Chopin, the greatest composer for the piano that ever lived. This is played by Mary Ann Nielsen.

The chorus will sing nine contrasting selections both sacred and secular. The concert will close with the impressive "Give Me Your Tired, Your Poor" by Irving Berlin. The words of this song were taken from the inscription on the Statue of Liberty.

After the concert there will be a dance sponsored by the music department in the Girls' gymnasium.

Mrs. George Bacon left Friday for Rochester, Minn., where she entered the Mayo clinic.

## SCIENCE and your Health

HOW OLD IS OLD?

By Science Features

Scientifically, there is no one answer to the question—How old is old? In 1900 you would have been "old" at 49, the average life span for Americans at that time. Today, because of advances in medical science, you can expect to live 67 years. When do you start to become "old"?

Some scientists, like Dr. S. L. Pearlman of the University of Chicago, do not like to use the word "old" in referring to people over 65. Dr. Pearlman prefers the term "more mature," pointing out that there is no such thing as being sick simply because one has reached a certain age.

But, if people are not sick simply because they are older, neither are they healthier because they do not respond to disease with the sudden, dramatic symptoms shown by children and young adults. Grandma and Grandpa respond more slowly, and their convalescence is longer. Therefore periodic health examinations are especially necessary in later life.

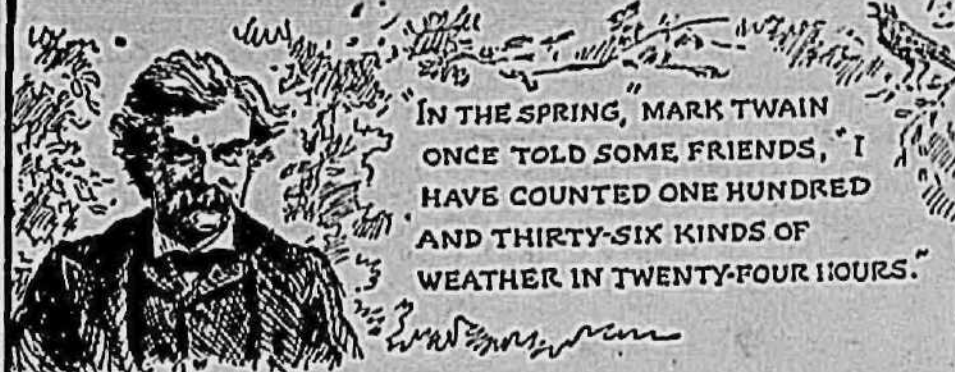

Surgery for elderly people is less risky than ever before. Dr. Sidney E. Ziffren, of the State University of Iowa School of Medicine, recently reported that surgery for people over 80 has become remarkably safe, largely because of advances in nutrition, the use of blood plasma, better anesthetics, and the discovery of the antibiotic drugs.

Of course certain diseases—such as hardening of the arteries, some of the heart diseases, and diabetes—occur more frequently after the peak of maturity. If caught in time, many can be successfully treated. As a matter of fact, your life span increases every year you live. Today a person who has reached 65 can expect to live another 13 years.

So it appears to be a scientific fact that you are "as old as you feel."

## OUR DEMOCRACY—by Mat

### LEARNING TO LIVE WITH THE WEATHER

IN THE SPRING, MARK TWAIN ONCE TOLD SOME FRIENDS, "I HAVE COUNTED ONE HUNDRED AND THIRTY-SIX KINDS OF WEATHER IN TWENTY-FOUR HOURS."

WITH OR WITHOUT THE COOPERATION OF THE WEATHER, THE SPRING PLANTING SEASON IS WELL ALONG—AND MILLIONS OF HARD-WORKING AMERICAN FARMERS ARE PLANNING AHEAD FOR THE PERIOD OF GROWTH AND CULTIVATION. THE FARMER HAS LEARNED TO LIVE WITH THE WEATHER, KNOWING THAT HARD WORK AND INTELLIGENT PLANNING WILL PAY.

MILLIONS OF AMERICAN FAMILIES LIKEWISE HAVE LEARNED TO LIVE WITH THE ECONOMIC WEATHER. THEY KNOW THAT HARD WORK, PRUDENT SPENDING, PUTTING SOMETHING BY FOR THE FUTURE IN LIFE INSURANCE AND SAVINGS, CHARTS A CLEARER COURSE TO FAMILY WELL-BEING AND SECURITY.

Mrs. George Kuhaupt and her sister, Mrs. A. J. Schloemer of Menomonee Falls returned home Monday after spending the winter in Florida.

Aids in College Show Miss Betty Jean McDougall of Antioch is serving as sub-chairman for costumes in the production of the hit show, "Roberta," as a part of the Mothers' Day weekend spring musical at the University of Illinois. It will be given in the Huff gymnasium.

## CHRISTIAN SCIENCE CHURCHES

That right living and acting brings its own rich reward and that evil has its just recompense, will be explained in all Churches of Christ, Scientist, on Sunday, May 3. The subject of the Lesson-Sermon will be EVERLASTING PUNISHMENT.

The Golden Text is from Hebrews (12: 11) "No chastening for the present seemeth to be joyous, but grievous; nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby."

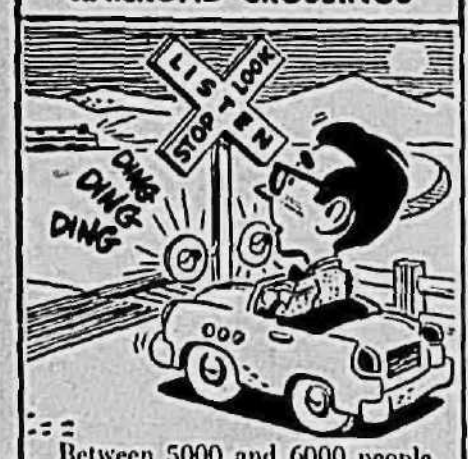

Lesson-Sermon passages from the Bible (King James Version) include:

"Then Judas, which had betrayed him, when he saw that he was condemned, repented himself, and brought again the thirty pieces of silver to the chief priests and elders. . . . And he cast down the pieces of silver in the temple, and departed, and went and hanged himself" (Matt. 27: 3, 5).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"The so-called sinner is a suicide. Sin kills the sinner and will continue to kill him so long as he sins. . . . This is sin's necessity, to destroy itself. . . . If sin is not regretted and is not lessening, then it is hastening on to physical and moral doom. . . . Remember that mankind must sooner or later, either by suffering or by Science, be convinced of the error that is to be overcome" (pp. 203, 405, 240).

## BE CAREFUL AT RAILROAD CROSSINGS

Between 5000 and 6000 people in this country are killed and injured each year at railroad crossings. Most of these accidents occur after dark, at crossings unprotected by gates or a flag man. Approach all crossings at a slow enough speed so that you can stop quickly. Look and listen for a train approaching. If there is a stop sign obey it. Don't try to get across the tracks in front of an approaching train, and when one train has passed watch out for another. Be alert and careful and you'll get over that railroad crossing safely.

By C. WILSON HARDER

It's an old adage. "Give a calf enough rope and he'll hang himself."

It applies to bureaucrats too, as witnessed by current uproar over firing of Dr. A. V. Astin as head of Bureau of Standards by Commerce Secretary Weeks.

Secretary Weeks acted to uphold a deep seated American principle that a man is entitled to a fair and square trial before reaching a verdict.

But Dr. Astin decided to hang a small manufacturer out in Oakland, California, without benefit of trial. This manufacturer developed a product which he felt served a purpose: a belief shared by many customers including the U. S. Government who over a period of years liked the product so well it was used in all equipment going to Korea.

Under Dr. Astin's direction the Bureau of Standards decided the product though harmless, has no merit, on basis that products in past designed to do the same job did not have merit.

The insistence of the manufacturer to operate in the face of the Bureau, so infuriated the bureaucrats that the full guns of bureaucratic machinery were turned against the small manufacturer.

The Post Office stamped "Fraud" on the firm's mail. To the credit of the Postmaster General, he stepped in and stopped such action.

But as soon as Secretary Weeks fired Dr. Astin, government em-

ployed scientists raised a mighty hue and cry.

Secretary Weeks says he is not a scientist, and while pointing to conflicting views by many scientists on the product, confines his viewpoint to a condemnation of the procedure used.

The Oakland Better Business Bureau, zealous for the public interest as all Better Business branches, found no complaints from users. Secretary Weeks also feels non-harmful products should be allowed trial before jury of public approval.

But with belief in the Divine Right of Bureaus, this view is fought by entrenched bureaucracy.

While the uproar over the Dr. Astin's firing is based on this one case, Secretary Weeks believed there were many other cases of high-handed action. In government one incident does not cause dismissal any more than one swallow makes a summer.

There is ample evidence to disprove bureaucratic infallibility.

In the 1900's the then Commissioner of Patents recommended closing the office because "everything worthwhile that can be invented has now been invented."

In taking action in this case, Secretary Weeks has furnished independent business with the first tangible evidence of Administration's intentions to give independent enterprise a fair opportunity in the market place.

He has acted much as the honest, impartial sheriff acts when breaking up a lynching party, determined that before any action is taken, a fair and square trial of the evidence will be held. He shows determination to stop bureaucratic lynching of independent enterprise.

The 1953 Servel GAS Ice-Maker Refrigerator  
gives you  
PLENTY of Ice Cubes  
and you never have  
to fill a tray!

Model 1037—Height 60 1/2 in.,  
Width 32 1/2 in.,  
Depth 31 1/2 in.

## How the ICE MAKER WORKS—

- 1 When "ice-circles" become frozen, ejector blades sweep them from mold.
- 2 "Ice-circles" rest on blades as mold refills itself with water.
- 3 When next batch is frozen, blades again rotate, dropping dried "ice-circles" into basket.

... starts itself ...

refills itself ...

and stops itself

when the basket is full!

New 1953 GAS REFRIGERATOR with the Automatic ICE-MAKER ... it's a REFRIGERATOR ... FREEZER ... and an AUTOMATIC ICE-MAKER!

Now you can enjoy a continuous supply of perfect "ice-circles" ... without trays! Cubes are loose. Take out one or a handful. The exclusive new Servel ice-maker automatically keeps the basket filled with extra-big, longer-lasting "ice-circles" ... and they never stick together!

**SUPER-SIZE FREEZER COMPARTMENT** freezes meals and other foods ... holds up to 45 1/2 lbs.

**AUTOMATIC DEFROST** is completely carefree. During defrosting the temperature in freezer drops even lower to safeguard frozen foods.

**SPACE-SAVING ADJUSTABLE SHELVES** ... to fit your storage needs.

**FOOD-SAVING FRESHENER DRAWERS** — Moist-cold keeps fruits and vegetables dewy-fresh ... longer.

**THREE IN-A-DOOR SHELVES** include two wide shelves for small items and a removable plastic egg nest.

**RIGHT-TEMP BUTTER DISH** built into door keeps butter at spreading consistency.

## See the Ice-Maker in Action!

It's really fascinating to watch the fast, efficient operation of this Servel ice-maker at work. And you can see its amazing action for yourself right in our nearest store, or your dealer's. Drop in today and see the wonderful new SERVELS ... the only refrigerators that make ice cubes without trays!

ROADMASTER  
Custom built by Buick

JUST finger-tip pressure on the steering wheel lets her park and slow-manuever with far less effort.

For Power Steering—standard equipment at no extra cost on every 1953 Buick ROADMASTER—gives her easy turning of the front wheels, even when this two-ton automobile is standing still.

Just a toe-touch on the gas pedal gives her dazzling getaway, or gentle cruising pace, or soaring power to glide easily up the long, steep hills.

For Twin-Turbine Dynaflow and the world's newest V8 Engine give her a combination of quick, quiet getaway and infinite smoothness that no other car in the world can equal.

She can gentle this big, beautiful bundle of high-powered energy to a swift, sure halt with merely light pressure on the brake pedal—for Power Brakes\* reduce needed pedal pressure by 50%.

She can replace summer's humid heat with refreshingly cool air by a flip of a

switch—for Buick Airconditioning circulates up to 300 cubic feet of cooled, dustless, filtered, draft-free air per minute.

Actually, the wonders—and the thrills—never seem to cease as you drive this superb ROADMASTER—the greatest Buick in fifty great years.

We'd like both the Mr. and the Mrs. to see it, try it, judge it. Why not drop in this week?

\*Optional at extra cost on Roadmaster and Super models only.

## Our State Senator Says

(By State Senator Robert McClory)  
As a citizen and a lawyer, as well as a member of the Illinois General Assembly, the writer knows that one of the foremost needs of Illinois is judicial reform.

In the police court or the supreme court the citizen demands assurance of even handed justice and judicial officers of the highest calibre.

But we may ask—what is wrong with the Illinois Courts?  
First, there are too many types of courts. These include Supreme, Appellate, Circuit, Superior, County, City, Municipal, Criminal, Juvenile, Police Magistrate and Justice of the Peace courts. This hodge-podge of courts with overlapping authority makes for confusion, and expense to the overburdened taxpayer as well as the unfortunate litigant.

Second: the existing methods of judicial selection result in a lack of confidence and of prestige in our courts. The public does not favor a system under which judicial candidates must curry favor with political bosses in order to have a chance to campaign for election.

In short, there are too many courts, and too much politics in the present court system.

Either the proposal recommended by the bar associations (the Chi-

cago Bar association and the Illinois State Bar association) or some similar proposal would be a vast improvement over the present judicial set-up.

Under any anticipated proposal the State's judicial authority would be vested in the Supreme court. Any such plan would also provide for separate and independent Appellate courts instead of the present system in which Circuit judges serve as judges of the various Appellate courts.

It also seems likely that the trial courts would be established under the various Circuit courts. This might eventually mean the disappearance of the Justices of the Peace and Police Magistrates as we have known them. They would become or be replaced by salaried magistrates serving as branches of the Circuit court.

Future Judges of the Supreme, Appellate and Circuit courts would be appointed from lists nominated by citizens' committees. After a short term in office, all judges would be required to run "against their records." If such an appointed judge should fail to get a majority of votes cast upon the question his term would expire, and another would have to be appointed in his stead.

This method of selecting judges is reported to have worked well in

Missouri, and is known as the "Missouri" plan.

A principal point of controversy is the personnel of the committee to select the various candidates for judicial office. Some feeling that a committee of lawyers should name qualified men from whom the judicial candidates might be named. Other feel that such a plan would involve "bar association politics."

At any rate, judicial reform will be considered by the present Illinois General Assembly and it is the writer's opinion that a proposed amendment to the constitution will be recommended.

Of course, the decision upon judicial reform will rest ultimately with the voters themselves as the General Assembly can only RECOMMEND a constitutional amendment. The rest is up to the voters. But that won't be until November, 1954.

## Dr. T. C. Proxmire Re-elected TB Head

Dr. Theodore S. Proxmire, recently was re-elected president of the Lake County Tuberculosis association for another year.

Others re-elected for another term are: Marshall Schroeder of Prairie View, first vice president; Arne

Dean Howard Ganster, Waukegan and Dr. Charles K. Peltier Medical director of the Sanatorium are honorary members.

## W. S. C. S. TO MEET MAY 6 IN WESLEY HALL

A regular business meeting of the Woman's Society of Christian Service will be held May 6 at Wesley hall. Mrs. Henry Ruggles will have charge of devotions, Mrs. C. Cain has chosen as the subject for her talk, "We Cannot Love Without Sharing." Mrs. R. V. Rendall and her committee will serve refreshments.
